

Guidelines for OCP Video Stars

Recent development in Sooke has greatly increased traffic and much of our affordable housing stock has been lost.

If you are concerned about the effects of rapid population growth in Sooke, this is the time to speak in support of the community you care about.

Transition Sooke wants to reach out to a broad range of citizens and find out what they think. We have a series of short questions and we are asking Sooke residents of all ages to answer them.

Transition Sooke will highlight some of the video results on social media and will use others to stimulate discussions at a Transition Sooke online Town Hall.

Questions

#1

Do you think Sooke should keep growing or slow down its population growth?

#2

What do you like about the neighbourhood where you live in Sooke? What don't you like?

#3

Do you think we can achieve reductions in fossil-fuel emissions, while at the same time increase the number of buildings and vehicles in Sooke?

#4

Do you think the District of Sooke should protect undeveloped land and waterfront? How important is this to you?

Please keep your answers short

If you have any questions do not hesitate to email adolan@islandnet.com
